

ITA		
Name: Fariba	PhD of Speech Therapy	
Surname: Yadegari		
Title/Degree: Associate professor	Department of: Speech Therapy	
Research Interests: aphasia, cognitive psychoneurological assessments, prelinguistic development		
Scopus Profile: https://www.scopus.com/authid/detail.uri?authorId=56414932800		Updated: 2016/Sep/9
Google Scholar Profile: https://scholar.google.com/citations?user=Gjy2E00AAAAJ&hl=en		
Personal Information		Nationality: Iranian
Office address: Department of speech therapy, University of Social Welfare & Rehabilitation Sciences, Kudakyar St., Daneshjo Blvd., Evin, Tehran, Iran Tel: (21) 22180043 Fax: (21) 22180068	E-mail: fa.yadegari@uswr.ac.ir faribayadegari@yahoo.com fariba.yadegari@gmail.com Home Page: http://yadegari.uswr.ac.ir University URL: http://www.uswr.ac.ir	

Education					
Date	Degree	Duration	Institution	Country/City	Major
2011	PhD	5 years	University of Social Welfare & Rehabilitation Sciences	Iran/Tehran	Speech Therapy
1994	M.A.	2.5 years	Allameh Tabatabai University, Faculty of Psychology & Educational	Iran/Tehran	Exceptional Children
1989	B.Sc.	4 years	Iran Medical University, Faculty of Rehabilitation	Iran/Tehran	Speech Therapy
Faculty member					
Year	Position	Institution/Course			Location
2016	Associate professor	University of Social Welfare & Rehabilitation Sciences			Iran/Tehran
2011-2015	Assistant professor	University of Social Welfare & Rehabilitation Sciences			Iran/Tehran
2006-2011	PhD student-university lecturer	University of Social Welfare & Rehabilitation Sciences			Iran/Tehran
1996-2006	University lecturer	University of Social Welfare & Rehabilitation Sciences			Iran/Tehran
Field of Specialization					
<ul style="list-style-type: none"> • Ahasia • Prelinguistic development • Cognitive neuropsychological assessment and treatment of language disorders • Assessment of communicative attitude in stuttering 					
Language Ability					
English: IELTS=7					

Teaching Experience

- Pathology and Treatment of Aphasia (for PhD students)
- Cognitive Models of Speech and Language Processing (for PhD students)
- Advanced Research Methodologies in Speech Therapy (for PhD students)
- Seminar of Clinical Research in Speech and Language Disorders (for PhD students)
- Writing research and scientific texts (for M.Sc. students)
- Normal Processing of Speech and Language (for M.Sc. students)
- Seminar in acquired language disorders (for M.Sc. students)
- Specialized English language in Speech Therapy (for M.Sc. and B.Sc. students)
- Adult Aphasia (for B.Sc. students)
- Assessment & Differential Diagnosis of Speech & Language Disorders (for B.Sc. students)
- Management in Speech Therapy (for B.Sc. students)
- Pathology, Assessment & Treatment of Language Disorders of the Mentally Retarded children (for M.Sc. students)

Symposia/Programs/Workshops

Year	Position	Duration	Institution/Course	Location

- Treatment of aphasia based on cognitive neuropsychological models, Lebanese university, 1th July 2014.
- Writing research articles in speech therapy, University of Social Welfare & Rehabilitation Sciences, 2013.
- Using psycholinguistic models in assessment and treatment of Aphasia, Mashad University of Medical Sciences, 2012.
- Assessment and differential diagnosis of verbal and oral apraxia, Varastegan Higher Education Centre, Mashad, 2012.

- Clinical education methods in speech therapy, University of Social Welfare & Rehabilitation Sciences, 2012.
- Using bilingual aphasia battery (BAT) as a cognitive neuropsychological assessment of aphasic patients; Cognitive Neuroscience Congress; Tehran, 2008.
- Methods of clinical supervisory in speech therapy, University of Social Welfare & Rehabilitation Sciences, 2007.
- Using AAC methods for severe speech problems, Iran Medical Sciences University, 8th Iranian speech therapy congress, 2007.
- Feeding development of newborns in NICU, University of Social Welfare & Rehabilitation Sciences, 2007.
- Early detection & early intervention in speech therapy, Iran Medical Sciences University, 2006.
- Introducing AAC methods; Learning Disability Congress, University of Social Welfare & Rehabilitation Sciences, 2006.
- Early detection and early intervention for children with developmental disorders, Yazd, 2004.
- Principles of Aphasia Rehabilitation, University of Welfare & Rehabilitation Sciences, 1996.

Research Experience

Year	Position	Institution/Course	Location
		<ul style="list-style-type: none"> • Examining formant transitions in the fluent speech of Farsi-speaking people who stutter; supervisor and executive manager, University of Social Welfare & Rehabilitation Sciences, 2014. • Internal evaluation of speech therapy department; supervisor and executive manager, University of Social Welfare & Rehabilitation Sciences, 2012 	

- Normalization of auditory comprehension test for 3 to 12-year-old children; supervisor and executive manager, University of Social Welfare & Rehabilitation Sciences, 2007.
- Comparison of naming skills of patients with Alzheimer's disease, fluent aphasics and healthy aging people; supervisor and executive manager, University of Social Welfare & Rehabilitation Sciences, 2007.
- Comparison of communicative attitudes of stuttering and non-stuttering 8 to 15-year-old students; supervisor and executive manager, University of Social Welfare & Rehabilitation Sciences, 2004.

Administrative Responsibilities

Year	Position	Institution/Event	Location
	<ul style="list-style-type: none"> • Head of Speech Therapy Department, University of Social Welfare & Rehabilitation Sciences; at the moment. • Manager of research and technology, University of Social Welfare & Rehabilitation Sciences; at the moment. • Deputy of Head of Speech Therapy Department, University of Welfare & Rehabilitation Sciences, 1995 up to 2002. 		

Academic and Scientific Responsibilities

Year	Responsibility
	<ul style="list-style-type: none"> • Former chairman of Iranian Scientific Speech Therapy Association; from 2013 to May 2016. • The member of Speech-Hearing Board of Iran Ministry of Health; at the moment. • Supervisor of speech therapy clinic from 1989 to 2011.

Scientific Membership

Association, Society

- A member of Iranian Scientific association, Iran
- A member of World Stroke Organization (WSO)
